THIS GUANO IS NOW SO WELL KNOWN in all the Southern States for its remarkable effects as an agency for increasing the products of labor, as not to require special recommendation from us. Its use for five years past has established its character for its stable excellence. The large fixed capital invested by the Company in this trade, affords the surest guarantee of the continued excellence of its Guano.

# COMPOUND ACID, PHOSPHATE OF LIME. FOR COMPOSTING WITH COTTON SEED.

THIS ARTICLE IS MANUFACTURED by the PACIFIC GUANO COMPANY at Charleston, S. C., under the Supervision of Dr. ST. JULIEN RAVENEL. When composted with an equal weight of Cotton Seed, its results have been found fully equal to the best standard fertilizers. Its economy must commend it to the notice of planters generally.

# Ayer's Hair Vigor, For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

# HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.

# ETTIWAN GUANOS, SOLUBLE MANURES AND SULPHURIC ACID

MANUFACTURED AT THE  
ETI WAN WORKS,  
CHARLESTON, So. Ca.

BY THE  
SULPHURIC ACID AND SUPERPHOSPHATE COMPANY.  
The now well known Etiwan Guano is manufactured from the Native Bone  
Phosphates of South Carolina. These Phosphates in their natural state are use-  
ful, and require to be ground to powder, and made Soluble by Sulphuric Acid.  
This Company have now in operation the largest Sulphuric Acid Chambers at the  
South, and are, therefore, able to manufacture at the lowest rates, the highest  
grade of Fertilizer; it being clear that the greater the proportion of Soluble  
Phosphate to which any Fertilizer contains, the less the quantity required per acre.  
In order to make the Fertilizer complete Ammonia and Potash in sufficient quanti-  
ties are added. With these views the Company manufacture and offer for sale

ETTI WAN GUANOS,  
Warranted to contain from 15 to 20 per Cent. of Dissolved Bone Phosphate of  
Lime, and from 2 to 2 1/2 per Cent. of Ammonia, with a sufficient addition of Pru-  
vian Guano and Potash, to adapt it to all crops. Price \$55 per ton, cash; on time  
\$60 per ton, and interest 7 per cent. per annum.

DISSOLVED BONE,  
Of high grade, suitable for Manufacturers or Planters, being in itself an excellent  
Fertilizer, and specially adapted for compost. As large quantities of Sulphuric  
Acid are used to dissolve the Phosphate, this will be found a cheap and convenient  
way to transport that material. The grade furnished will be from 18 to 20 per  
cent. Dissolved Bone Phosphate. Price \$40 per ton cash. On time, \$45, with  
interest at 7 per cent. per annum. Still higher grades will be furnished to order  
at an additional price per centage.

COMPOUND ACID PHOSPHATE,  
Specially prepared for composting with cotton seed and other plantation manures.  
Price \$35 per ton; cash; on time, \$40, with interest at 7 per cent. per annum.  
GROUND BONE,  
At much lower rates, consisting simply of the Native Bone Phosphates ground to  
powder. Price \$20 per ton cash. On time, \$22 and interest at 7 per cent. per  
annum.

For the Speedy Relief  
And Permanent Cure of  
CONSUMPTION,  
BRONCHITIS,  
ASTHMA, COLDS,  
And all Diseases of the  
LUNGS, CHEST, OR THROAT!

THE EXPECTORANT is composed exclu-  
sively of Herbal and Mucilaginous pro-  
ducts, which  
Permeate the very Substance  
of the Lungs,  
causing them to throw off the acrid matter  
which collects in the Bronchial Tubes, and  
at the same time forms a soothing coating,  
relieving the irritation which produces the  
cough.

The object to be obtained is to cleanse the  
organ of all impurities; to nourish and  
strengthen it when it has become impaired  
and enfeebled by disease; to renew and in-  
vigorate the circulation of the blood and  
strengthen the nervous organization. The  
EXPECTORANT does this to an astonishing  
degree. It is active but mild and congenial,  
imparting functional energy and natural  
strength. It affords Oxygen to vitalize the  
blood, and Nitrogen to assimilate the matter.

It Equalizes the "Nervous Influence,"  
producing quiet and composure  
TO CONSUMPTIVES  
It is invaluable, as it immediately relieves  
the difficult breathing and harassing cough  
which attends that disease.

FOR ASTHMA  
It is a specific—one dose often relieving the  
distressing choking, and producing calm and  
pleasant repose.

FOR CROUP  
No mother should ever be without a bottle of  
the EXPECTORANT in the house. We have  
numerous certificates of its having relieved,  
almost instantly, the little sufferer, when  
death appeared almost inevitable.

MOTHERS BE ADVISED!  
Keep it on Hand!  
This dread disease requires prompt action;  
as soon as the hoarse, hollow cough is heard,  
apply the remedy, and it is easily subdued!  
But Delay is Dangerous!  
The properties of the EXPECTO-  
RANT are demulcent, nutritive, balsamic,  
soothing and healing. It soothes the nervous  
system and produces pleasant and refreshing  
sleep.

It Exhilarates and Relieves Gloominess  
and Depression.  
Containing all these qualities in a conven-  
ient and concentrated form, it has proven to  
be the  
Most Valuable Lung Remedy  
ever offered to sufferers from Pulmonary dis-  
eases.

# READ

It is well known to  
Doctors and to La-  
dies, that Women are  
subject to numerous  
diseases peculiar to  
their sex—such as Sup-  
pression of the Menstru-  
ation, Painful Menstru-  
ation, "Periods," Rheuma-  
tism of the Back and  
Waist, Irregular Men-  
struation, Hemorrhage  
or Excessive "Flow," and Prolapsus Uteri or  
falling of the Womb. These diseases  
have seldom been cured successfully. The  
profession has sought diligently for some  
remedy that would enable them to treat  
these diseases with success.

At last that remedy has been discovered  
by one of the most skillful physicians in the  
State of Georgia. That remedy is BRAD-  
FIELD'S FEMALE REGULATOR. It is  
purely vegetable, and is put up in Atlanta,  
Ga., by BRADFIELD & CO. It will purify  
the blood and strengthen the system, relieve  
irritation of the kidneys, and is a perfect  
specific for all the above diseases; as cer-  
tain a cure as Quinine is in Chills and Fevers.  
For a history of diseases, and certifi-  
cates of its wonderful cures, the reader is  
referred to the wrapper around the bottle.  
Every bottle warranted to give satisfaction  
or money refunded.

LAGRANGE, GA., March 28, 1870.—BRAD-  
FIELD & CO., ATLANTA, GA.—Dear Sirs: I  
take pleasure in stating that I have used for  
the last twenty years, the medicine you are  
putting up, known as BRADFIELD'S FEMALE  
REGULATOR, and consider it the best  
combination ever gotten for the diseases for  
which it is recommended. I have been a  
practitioner of medicine and in domestic prac-  
tice, and can honestly say that I consider it  
a boon to suffering females, and can but hope  
that every lady in our whole land, who may  
be suffering in any way peculiar to their sex,  
may be able to procure a bottle, that their  
sufferings may not only be relieved, but that  
they may be restored to health and strength.  
With my kindest regards, I am, respectfully,  
W. B. FERRELL, M. D.

We, the undersigned Druggists, take pleasure  
in commending to the trade Dr. J.  
Bradfield's Female Regulator—believing it  
to be a good and reliable remedy for the  
disease for which he recommended it. W.  
Lansdell, Atlanta, Ga.; Pemberton, Wil-  
son, Taylor & Co., Atlanta, Georgia; Red-  
wine & Fox, Atlanta, Georgia; W. Root  
& Son, Marietta, Georgia.

DR. PROPHITT'S CELEBRATED LIVER  
MEDICINE.—It is purely vegetable, and  
will act upon the Liver and Kidneys as  
properly as Calomel and Buchu, without any  
danger of salivation or destruction of the  
bones. Parties taking this medicine need  
not fear getting wet, or in any other reason-  
able exposure.

SYMPTOMS OF LIVER DISEASE:—Headache,  
Dull Feeling or the Blues, Sour Stomach,  
Sick or Nervous Headache, Heartburn,  
Indigestion or Dyspepsia, Bad or Bitter Taste  
in the Mouth, the skin has a thick, rough  
feeling, and is darker than usual. Consti-  
pation, Melancholy Feelings, Cramps, Cold  
Feet, Colic, Dysentery, Diarrhoea, Chills and  
Fever, and Piles. In fact, where the Liver  
is out of order, you are liable to every dis-  
ease that is not contagious. Prophitt's Liver  
Medicine, if taken properly, will prevent  
and cure any disease resulting from a de-  
ranged liver. It will regulate its functions,  
and thus cure all diseases caused by the fail-  
ure of its healthy action. It has been used  
for a great number of years, and has given  
universal satisfaction. There is no brother  
or son claiming to have the original recipe.  
It is put up in both Powder and Fluid form.  
FARMERS, O.A., Sept. 4, 1868.—DR. O. S.  
PROPHITT, Sir: My wife has been in in-  
valid for fifteen years. Doctors all agree  
she had "Liver Disease." In connection  
with their practice she used various and  
noted remedies, none of which seemed to do  
any good.—Sometime ago I procured a bottle  
of your "Liver Medicine," of your agent  
here, C. A. Harvey, which being given  
according to directions, has effected a com-  
plete cure.  
Respectfully, &c., GEO. L. THOMPSON.

CHARLOTT, N. C., Sept. 24, 1868.—I have  
used Dr. O. S. Prophitt's Liver Medicine as a  
tonic, and found it to be powerful and  
efficacious. It is excellent for functional  
derangement of the Liver or constipation of  
the bowels; in most cases superseding the  
necessity of a regular course of medicine.  
E. J. McNAULDIE, A. M.,  
Pastor Tryon St.

MARION COUNTY, Texas, Aug. 1, 1869.—Dr.  
O. S. Prophitt, Dear Sir: I write you this  
to inform you that I have been troubled a  
great deal with indigestion, but after using  
one bottle of your Liver Medicine, I find  
great relief. I cheerfully recommend it as a  
good Family Medicine, and feel confident  
that it is good for anything for which it  
claims to be an antidote.  
Very respectfully, DICK LOCKETTE.

# PROPHITT'S PAIN KILL IT.

This is the celebrated medicine that runs  
Perry Davis, Pain Killer out of the market,  
wherever it is sold. Davis made Prophitt  
change the name from Pain Killer to Pain  
Kill It. For Rheumatism, Neuralgia, or  
pain of any kind it has no equal. For Cuts,  
Bruises, Burns, or old Sores, it is the best  
thing you can use as a dressing. For Snake  
Bites or Stings of Poisonous Insects, it is a  
perfect Antidote. It is good for Colic, Colds,  
Coughs, or Acol Complaint. Its name  
indicates its nature fully. It is truly Druggists  
to pain. Manufactured and sold by BRAD-  
FIELD & Co., Atlanta, Ga., and for sale by  
all druggists.

DOOLY COUNTY, GA., April, 1867.—This is  
its certify that I was confined to the house,  
and most of the time to my bed, and suffer-  
ing the greatest agony imaginable with  
Rheumatism, for five months, and after try-  
ing every available remedy, with no relief, I  
was cured with two bottles of Dr. O. S.  
Prophitt's Anodyne Pain Kill It, contain-  
ing fifty cents only. It relieved me almost  
instantly. I therefore recommend it in the  
highest degree to others suffering from simi-  
lar disease. I can say that it is one of the  
finest family medicines now out, certain.  
Yours truly, W. A. FOREHAND.

DOOLY COUNTY, GA., Oct. 27, 1867.—Dr.  
O. S. Prophitt, I have, during the last  
eighteen months, used your Pain Kill It, and  
I consider it unequalled by anything for pain  
in the head, breast, back or side; and for  
colic nothing gives relief half so quick as  
your Anodyne Pain Kill It. It is doing much  
good in the community in other families as  
my own. Yours, &c., D. T. FOREHAND.

NEWTON FACTORY, GA., Nov., 1867.—Dr.  
Prophitt: Last summer my horse sprained  
his knee severely, causing the whole leg to  
swell to about twice its natural size, and  
rendering him almost helpless; two applica-  
tions of your Anodyne Pain Kill It thorough-  
ly cured it.  
JOHN B. DAVIS.
